

Help Out on State Natural Areas

Sugar River Wetlands Workday

Help celebrate all the seed we collected and expand the wet prairie at Sugar River Wetlands State Natural Area! Scatter the seeds collected earlier this year to restore areas where invasive brush was cleared. If there is time, we'll also clear invasive brush. This work will expand the quality wetland areas and continue the efforts started by the Upper Sugar River Watershed Association and Wisconsin DNR. No skills needed you will be trained onsite. See details below.

Date: December 7

Time: 9am-noon

Directions: Volunteers and work leaders will gather where Epic Lane and County View Road meet in Verona, overlooking the Epic Systems campus to the east and the Military Ridge State Trail to the west. An approximate address is 2517 Country View Road, Verona, WI 53593. [Google map.](#)

What to wear: Clothes that are OK to get beat up, gloves, sturdy footwear (the ground may be wet or muddy).

What to bring: Drinking water, gloves.

Contact: If possible, please RSVP for the workday in advance by contacting Wade Moder at usrwa@usrwa.org or by calling 920-850-6902.
